District Superintendent's Report

Even during a time of unprecedented economic challenges resulting in salary freezes, the staff of TEAM COLLETON is continuing to live up to our motto "Making a World of Difference" in all aspects. Academic progress has resulted in two schools (Edisto Beach Elementary and Thunderbolt Career and Technology Center) earning Palmetto Gold Awards. Not to be left out, five schools (Cottageville Elementary, Forest Hills Elementary, Hendersonville Elementary, Northside Elementary, and Colleton County High School) earned Palmetto Silver Award recognitions. Colleton Middle School, Forest Circle Middle School and Ruffin Middle School have consolidated but also earned Palmetto Silver Awards. Dedicated staff and their utilizing evidence-based initiatives supported by data-driven decisions have contributed to the many successes in this my third year as Superintendent. The district, for the first time, has an average absolute rating and an excellent growth rating. In addition, all schools have at least an average absolute and growth rating. The graduation rate has increased from 57.6 % (2009) to 75.8% (2011). The dropout rating has decreased from 10% (2009) to 5% (2012). This year, 100% of eighth graders enrolled in English I and Algebra I passed the End of Course Test. The opening of our new Colleton County High School presented 1630 students with a new opportunity: five choices through Schools of Study. The smaller learning communities allow students to complete courses that will contribute to their future vocations. To complement the high school, the three middle schools merged into the former high school facility and the STEM focus introduced the 1430 students to schools of choice through three smaller learning communities. Realizing the role of competition and extracurricular activities to social development, students were also provided opportunities to excel in these areas. The girls' basketball team was the regional champions. The Band of Blue and color guard were recognized with several awards. A member of the girls' track team holds the regional and state title in the shot put and the discus and has been named the S.C. Girls Track and Field Athlete of the Year. The high school Academic Team won the 2011 USC Academic Bowl. Students through DECA, FBLA, HOSA, NJROTC, and Skills USA earned numerous state awards and earned the right to participate in national competitions. The NJROTC earned the Distinguished United Achievement Award for the 5th consecutive year and the unit has been recognized as a top performer in the United States for 9 out of 14 years. In our quest to address the 'whole child,' all schools embraced the "Eat Smart, Move More" campaign. Thanks to our dedicated staff, supportive school board and community; Colleton County School District maintains its quest of continuous improvement.

Leila W. Williams, Superintendent
